

Jodi Province MA, LCMHC, NCC (Licensed Clinical Mental Health Counselor #5534 and National Certified Counselor # 207799) has earned a Bachelor of Science Degree in Human Services and a master's degree in Community Counseling from Appalachian State University in December 2006.

She has clinical experience working with children, families, and adults. She has 14 years' experience as a licensed clinical mental health counselor.

Jodi Province practices standard Person-Centered Therapy, Cognitive Behavioral Therapy, along with Theraplay® principle techniques, EMDR, and TFCBT. Other treatment approaches are used depending on the person or condition. Treatment practices, philosophy, and plan limitations and risks will be discussed with you today.

A diagnosis will be used for treatment purposes and will become part of your medical record.

This counselor will file certain insurances; other payments accepted are cash or check. Fees range from \$145.00 for 45 minutes to 1 hour sessions at \$185.00. Intake assessments are \$185.00.

Confidentiality is an important part of counseling. All information will remain confidential except for the following, a patient discloses harm to self or others, indication of child or elder abuse, or a court order is issued to this counselor.

If for any reason you are unhappy with services, please speak directly with this counselor so we can resolve the issue. If a resolution cannot be met or you feel a need to register a complaint, you may contact the North Carolina Board of Licensed Clinical Mental Health Counselors at the following: P.O. Box 77819 Greensboro, NC 27417, phone: 844-622-3572. This professional disclosure statement is required by law (NC.G.S.90-24)
